

# **Feckenham Parish Council Grants and Donations Policy**

## **Introduction**

Feckenham Parish Council regularly receives requests for grants and donations from a variety of organisations. This policy document is intended to guide the Council itself about the scope and mechanism for awarding grants, and also to set out some guidelines for applicants to help with their requests for financial support. Feckenham Parish Council operates two types of grant, a Section S137 grant (made under Section 137 of the Local Government Act 1972), and an unrestricted grant or donation made entirely at the discretion of the Parish Council. The law requires that Section 137 grants must be “in the interests of or will directly benefit the area or its inhabitants, or of part of it, or some of it” and “the direct benefit should be commensurate with expenditure”. In order to deliver the most benefit for the residents of Feckenham and surrounding villages, the Parish Council will apply these same principles to the award of unrestricted grants although the Council retains the authority to make individual decisions based on the merits of each application.

## **Who can apply?**

Local community groups, voluntary organisations and sports/recreational clubs, all must be of a non-commercial nature. Any grant application must be seen to be of benefit to residents of Feckenham Parish.

## **How can the grants be used and how are they decided?**

Grants can normally only be used for capital projects and not for revenue support. Feckenham Parish Council awards grants, at its discretion, to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- providing a service
- enhancing the quality of life
- improving the environment, and promoting the interests of the Parish of in a positive way

The Parish Council will hear the application and make a final decision. Each application will be assessed on its own merits. However, to ensure as fair a distribution as possible of available funds, the Parish Council will take into account the amount and frequency of any previous awards. Due account may also be taken of the extent to which funding has been sought or secured from other sources or fund raising activities.

The Parish Council may set an annual budget from which grants will be awarded during the financial year. The availability of funds is dependent on the Council's overall financial position and the choices it makes when allocating its resources. Where possible it actively encourages organisations to seek grants from other agencies to finance projects.

## **When and how should an application be made?**

All applications are to be made on a form that can be obtained from the Parish Council Clerk. Grant applications will be considered by the Council at the next available Parish Council meeting; or annually, according to the Council's financial position and other commitments. Funds will be paid to successful applications by cheque. Normally only one grant will be given in a Council fiscal year. On-going commitments for grants in future years will not be made. A fresh application will be required each year.

## **What is required with the application?**

Depending on the nature of the application, the following may be required:

- Full and complete copies of your accounts for the last two years (only if your organisation has been in existence for that period), bank statements for last 3 months. A member of your organisation indicating their position should countersign these documents.
- A detailed budget plan and supporting evidence.
- A copy of your organisation's Constitution, Terms of Reference or Rules.
- The number, or percentage, of members that belong to the organisation and that live within the Feckenham Parish area.
- Details of any restrictions placed on who can use/access the organisation's services.
- Should you have had a previous grant from the Council, it is wise to check that you have included a full report of your previous award.
- Evidence of other awards towards the project, e.g. lottery funding, other bodies.
- For grant requests for projects, the Parish Council will require that the organisation have robust tendering process, e.g. obtaining a minimum of three tenders. The Parish Council reserves the right to request proof of the tender process.

Feckenham Parish Council expects applicants to get the best value for money for any equipment or service, so applicants will need to give a detailed justification if they haven't used the cheapest quotes.
